## PERSONAL PROJECTS

### Q-Kart E-commerce Platform

– Q-Kart is a traditional yet robust e-commerce platform, drawing inspiration from Flipkart. It offers essential features including product listings, shopping cart management, user authentication, order tracking, and secure payment integration. Through meticulous testing and deployment processes, the platform ensures a seamless online shopping experience for users.

– **Technologies:-**

– **React.js:** Core technology for building dynamic user interfaces.

– **HTML/CSS:** Foundation for content structure and styling.

– **JavaScript :** Modern JavaScript for enhanced functionality.

– **Tools:-**
